

IdlePro Extreme® Alternators

High Amp, Brushless Design

24V

Operates at 72% Efficiency!

Premium IdlePro Extreme alternators from Leece-Neville Heavy Duty Systems offer industry-best output at low engine speed through an innovative, high-amp, brushless design. These best-in-class alternators deliver optimal performance to increase battery life for maximum power under any condition.

Combining cutting-edge engineering innovations and the ever-changing specific electrical demands of today's vehicles, Leece-Neville IdlePro Extreme alternators provide more amperage at engine idle, extend battery life, improve efficiency and increase vehicle uptime by enhancing electrical system and engine performance.

FEATURES

BENEFITS

Auxiliary Draft Cooling Design	Special design that controls temperature of the front bearing – 10 degrees cooler than traditional designs*
Improved Output at Low-Engine Speeds	Minimum of 90% output of unit's rated maximum output at engine idle speed* provides efficient, battery-saving performance
Premium Brushless Design	Best-in-class brushless performance without the weight & size downfalls of conventional alternators
Dual Cable Terminals (B+/B-) Positioned Laterally & Axially	Extends the coverage & convenience of these alternators
Remote Sense Capable	Reduces battery charge time & returns battery to a full state of charge between vehicle stops
Isolated Ground Technology	Reduces stray voltage currents traveling through the engine – reduces component wear & eliminates potentially severe electrolytic damage
Premium Heavy Duty Design	eCoated for superior corrosion resistance & heavy duty housing design improves performance in common extreme operating environments

SPECS

System Voltage	24V
Temperature Rating	-40°C to 125°C
Diodes	12
Lamp Driver	High or low side driver
Mounting	J180 Hinge Mount Pad Mount
Rotation	Clockwise

Weight	250-Amp, 37 lbs. / 16.8 kg 275-Amp, 37 lbs. / 16.8 kg
Warranty	Medium & Heavy Duty Applications, 3-Year/350,000 Miles**

APPLICATIONS:

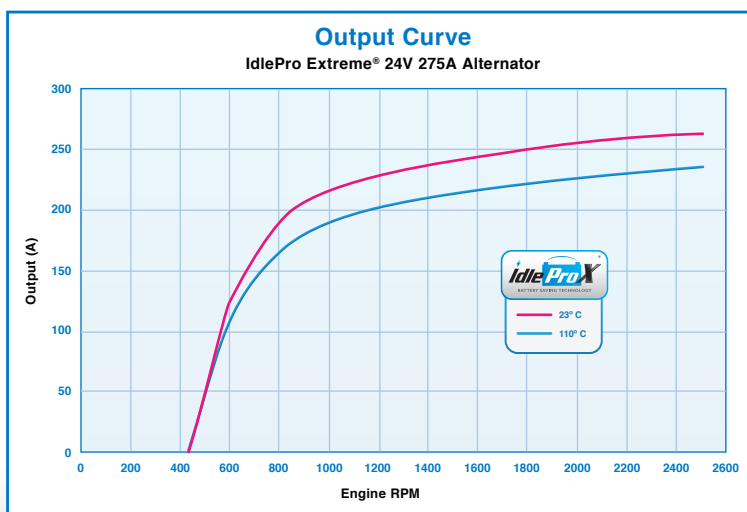

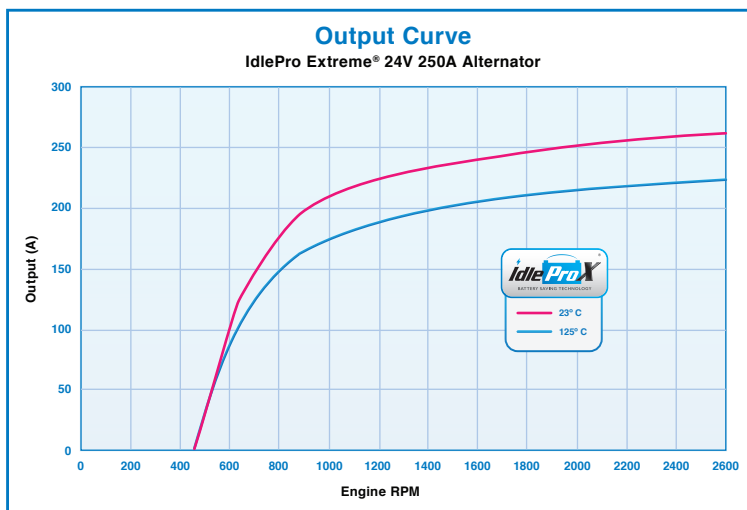

Heavy-Duty Truck, Bus & Coach and Industrial

Assembled In **AMERICA**

* Certain applications
** Check with your Prestolite representative for more details for other warranties
